

## **Millî Reasürans T.A.Ş. Social Responsibility Policy**

### **Purpose**

It is aimed herein to ensure compliance with the main criteria which are determined with regard to subjects within social responsibility area and with relevant legal regulations thereof, while carrying out the Company's activities.

### **Scope**

This policy involves social responsibility areas focused by the Company.

### **General Principles**

The Company deems to act with the awareness of social responsibility in all Company's activities as one of the fundamental and constant elements of its management understanding.

Within this context, all economical, social and environmental effects of the Company activities are managed with a social responsibility understanding. The scope of the social responsibility understanding of the Company shall not be limited with its main activities and the effects thereof. In determining the priorities of this matter, the most beneficial alternative for the society and environment is considered. Special attention is given to taking leadership role in activities for the protection of human rights, environment and public health.

The Company manifests its understanding of social responsibility in the most efficient manner by means of contributing to Turkish Insurance Industry and to the community especially in the fields of education, culture, arts and sports, undertaking duties in these fields, carrying out or sponsoring solid projects.

### **Effective Date**

Social responsibility Policy of Millî Reasürans T.A.Ş has been approved in the meeting of the Board of Directors dated 24 February 2012 with number 1169 and put into effect in the same date.
